GBA Constitution Article 18, Para 6.

Any player who fails to participate in the Gujarat State Badminton Ranking/Selection Tournaments for the state teams – thus disregarding the interest of the State, without satisfying the Executive Committee, GBA with reasons for doing so, shall not be permitted to participate in any national tournament on a private basis.

The calendar of GBA tournaments is thoughtfully structured to enable players to participate in Badminton Association of India (BAI) Ranking and other domestic tournaments. However, it may not always be feasible to accommodate participation in the Badminton World Federation (BWF) Super Series and other international events within this schedule. The players who wish to compete in BWF tournaments are therefore expected to make their selections judiciously, keeping in mind the significance and commitments of GBA tournaments. GBA earnestly expects its top players to uphold a deep sense of respect and responsibility towards their state and the nation while planning their participation.

These norms and guidelines come to force with effect from 1st April 2026.

GBA reserves the right to modify the norms and guidelines any time, prior to commencement of the first Championship/tournament of its calendar year.
