(4) System for awarding the points based on performance in major ranking tournaments (Singles, Doubles & Mixed Doubles to be separately considered):

First Round	: 1 Point
Pre Quarter-Finalist	: 2 Point
Quarter-Finalist	: 3 Point
Semi-Finalist	: 4 Points
Runner-up	: 5 Points
Winner	: 6 Points

(5) (a) The above norms are not exhaustive. Further guidelines in determining team selection are as under:

In case of a tie on points in either Singles or Doubles category, following will be the criteria for resolving the issue and determining the selection of players:

In case, the Singles Players/Doubles Teams concerned is/are involved in the tie have met in tournaments held in the year as mentioned above, their head-on count of victories will be taken into consideration in determining their ranking.

If the players are even on head-to-head meetings, the winner of their last match is/are to be selected.

If the players having equal ranking points have not played with each-other, then a selection match in-between them may have to be arranged.
